This convenient, complimentary service makes your departure experience a breeze. It allows you to check-in for your return flight, collect your boarding pass and check your bags at the airline check-in desk. When you arrive at the airport, you will make your way to security.

Disney Resort Guests must present a valid government-issued I.D. for domestic travel or a valid passport for international travel. In addition, Guests must check-in no later than three hours prior to their scheduled flight departure time. Flight delays do not extend this check-in time. All Guests must be present at check-in. Resort Airline Check-In is open seven days per week between the hours of 5:00am to 12:00pm.

Please note: You may be selected to check-in at the airport and will be unable to use the Resort Airline Check-In service.
